

Dear 2015 Golf Networking Hole Sponsor:

Thank you for sponsoring one of the chamber's networking golf holes for our upcoming 2015 Golf Outing. We are confident it will be both a lot of fun and a valuable networking opportunity for both your company and the many business members who stop by your sponsored hole.

We are providing a special opportunity this year for our golf hole sponsors to purchase special, unique signage to display at your sponsored golf hole. Please contact Jon Osborne at Image 360 to review the basic specifications and receive a special quote. Just tell Jon you are requesting a sign for the Homer Chamber Golf Outing – Jon will work with you on customizing this to best promote your business.

Jon will also deliver your sign directly to Broken Arrow the day of the Golf event, June 11th so you are ready to begin advertising at the start of the event. All custom signs are your property following the event.

Below is Jon's contact information at Image 360 is below:
